

USMS Spring Short Course National Championships were held at Georgia Tech this past Thursday-Sunday, May 20-23. Almost 2,000 swimmers from across the country were in attendance, with 69 swimmers representing 10 different clubs from the New York metropolitan area traveling down south to compete. A total of 103 individual and 19 relay records were broken at the meet, which also signified the final masters championship swim meet of the high tech suit era. Daily video highlights and results links are posted on the home page of our Metropolitan LMSC website at www.metroswim.org.

CONGRATULATIONS to ALL of our metropolitan area swimmers who participated in this championship meet, most of whom had breakthrough swims and posted personal bests. Following is a summary of top times, team and age group finishes:

TEAM

AGUA - Asphalt Green Masters
3rd Place Women's Division
REDT - Red Tide Masters
5th Place Women's Division
